three of these groups. Plus this is the first time our 'symmetrix' hasn't been symmetrix and i think he deserves a round of applause for a job well done. I HAD TO TALK WITH HER AND SHE ALWAYS RESPONDED A STUDENT'S POSITION.

I NEVER THOUGHT IT WOULD BE LIKE THIS. I DON'T KNOW WHAT TO DO.

IT'S BEEN A LONG TIME SINCE I TRANSFERRED TO THIS SCHOOL.

After listening to various sources, I finally learned that everything about Tsuruga is really weird.

Everyone is like THE CULTURE FESTIVAL.

AS IF IT HAD TO GET THE STUDENTS INVOLVED IN THAT.

ABOUT TO DEVELOP THEIR CHARACTERS.

"There's something SPECIAL about Tsuruga city... it's just THE FEELING. Even I'm alone, that's how it feels."

# Viscans wants... GUESS WHO!!

Viscans is still looking for Editors, Korean, Japanese, Chinese to English translators to help release certain stalled projects. If you're interested in bringing out the releases faster, we encourage you to apply at <irc://irc.irchighway.net/viscans> or mail us at [viscans@gmail.com](mailto:viscans@gmail.com).

Was your answer "MEEEEEE?" If it was then... ^O^ Unless you can do something for us =D. My Hitler leader made me paste that nonsense up there, look how genericly computerish the font is. To say noboby reads it but I've been proven wrong by all the stupid recruits. DONT GET ME WRONG we have a bunch of tests now in our IRC Channel so it's easier to apply! Lastly, YAMI-CHAN IS ALSO MINE!! Along with Kotegawa Yumi by the way. Can you feel how much more lazy I was with the recruit page compared to usual?

It was requested by Ilesyt that we have a da capo themed credits page. I assented. However I did not put in much effort into looking for a nice one and settled for this. I am sorry Ilesyt. I haven't played it yet, and I hated the anime, so I can't say I have a lot of love for Da Capo. Also Moriguchi is ridiculous and does not make sense, why is it our most downloaded release? You guys are perverts! I didn't even understand it when I translated the first chapter! Rawr!
